- ✓ Lead client conversions to explain entities and relevant regulatory authorizations
- ✓ Draft and/or review documentation and assume responsibility and ownership, including maintenance and procedures
- ✓ Instruct and manage client stakeholders and other service providers

### What We Expect

Qualified professional with 3-12 years of relevant work experience at a top law firm, bank or asset manager, whereby direct corporate formation and/or regulatory exposure is key

- ✓ Profound direct working experience with investment funds, holdings, foundations, securitizations and token structures as well as obtaining licenses for fund, asset and wealth management
- ✓ In depth corporate law regulatory knowledge (Fidleg, Finig, AIFMD, MiFID, etc.)
- ✓ Self-motivated and proactive individual with strong desire to learn and succeed
- ✓ Excellent analytical, interpersonal and project management skills to manage multiple projects at any one time as well as ability effectively communicate complex topics

### What We Offer

- ✓ Career opportunity in a global, fast-paced & dynamic and client-oriented environment
- ✓ Opportunity to learn the business from some of the world's leading private market specialists
- ✓ Growth-oriented entrepreneurial culture with significant development opportunities
- ✓ International working environment
- ✓ Competitive salary with performance-related compensation model
