Investment Fund Lawyer

We are looking for an investment fund lawyer in Zurich, Switzerland. LINDEMANNLAW's structuring team is responsible for developing innovative investment fund structures and managed account structures for leading institutional and private investors globally.

Your Responsibilities

- ✓ Manage complex structuring projects from an operational and project management aspect
- ✓ Lead client conversions for investments in traditional commingled funds (i.e., negotiate terms, draft side letters, etc.) and customized separate accounts
- ✓ Draft and/or review documentation relating to a variety of fund structures and assume responsibility and ownership for select funds and separate accounts, including maintenance and procedures
- ✓ Instruct and manage client stakeholders and other service providers

What We Expect

Qualified professional with 3-12 years of relevant work experience at a top law firm, bank or asset manager, whereby direct private markets fund formation and/or investment exposure is key

- ✓ Direct and profound working experience with registered funds, evergreen funds, distribution arrangements, insurance dedicated funds, securitized vehicles and other innovative structures
- ✓ In depth regulatory knowledge (Investment directives, ERISA, AIFMD, MiFID, etc.)
- ✓ Self-motivated and proactive individual with strong desire to learn and succeed
- ✓ Excellent analytical, interpersonal and project management skills to manage multiple projects at any one time as well as ability effectively communicate complex topics

What We Offer

- ✓ Career opportunity in a global, fast-paced & dynamic and client-oriented environment
- ✓ Opportunity to learn the business from some of the world's leading private market specialists
- ✓ Growth-oriented entrepreneurial culture with significant development opportunities
- ✓ International working environment
- ✓ Competitive salary with performance-related compensation model
